WELLBEING WINNERS!

Introduction...

The Schools Health & Wellbeing Service's 'Wellbeing Winners' Programme is designed to showcase the superstars within our community! Anyone can be a Wellbeing Winner, whether they are a pupil, member of school staff, a parent or carer, or anyone else within your school community that you feel deserves recognition for their amazing hard work, when it comes to Health & Wellbeing!

The Schools Health & Wellbeing Service would love to receive your nominations to be able to put your Wellbeing Winners in our half term 'spotlight'. However we would also love to see your Wellbeing Winners being celebrated within school, which is why we have put together this 'In-School Resource Pack' to help you showcase the amazing people that make up your school community!

Share Your Experiences...

We hope as many schools and classes as possible will encourage and celebrate the amazing Wellbeing Winners within your school community. We also hope you'll tell us about your Wellbeing journeys... shout about what you are doing in school, the acts of kindness or goals that have been achieved and how you're celebrating your Wellbeing Winners!
